Fort William First Nation and the End-of-Life Care in First Nations Project, Lakehead University, are offering FW community members a series of awareness sessions about palliative care . You can use the knowledge and skills when you extend your support to our community members and their families at times of serious illness when they need your help most. You will be asked to provide input and evaluate these sessions. There is no cost to attend.

For more information, please contact Natalia Collins, Aboriginal Community Facilitator at (807) 622-8802, or via email
